

```
RUN_38
      0      1      8704
timestep      1      8704      0      1      0.001000
  44.64      0.000      0.000
   0.000      44.64      0.000
   0.000      0.000      44.64
```

(a)

Two lines are missing

```
timestep 15000001      8704      0      1      0.001000
  44.64      0.000      0.000
   0.000      44.64      0.000
   0.000      0.000      44.64
```

(b)

Add in missing info.

```
RUN_41
      0      1      8704
timestep 15000001      8704      0      1      0.001000
  44.64      0.000      0.000
   0.000      44.64      0.000
   0.000      0.000      44.64
```
